

If your client
sustains a
bone fracture,
it could have a
devastating impact
on their **health**,
work and
earnings

**National
Friendly**

You can give them
piece of mind with our
Fracture Cover, a cash
payout that helps meet
the costs of the resulting
bills, for just an additional
£1 a week! Ideal if they're
self-employed.

This cover is an add-on
and your client pays for it
as part of the main policy.

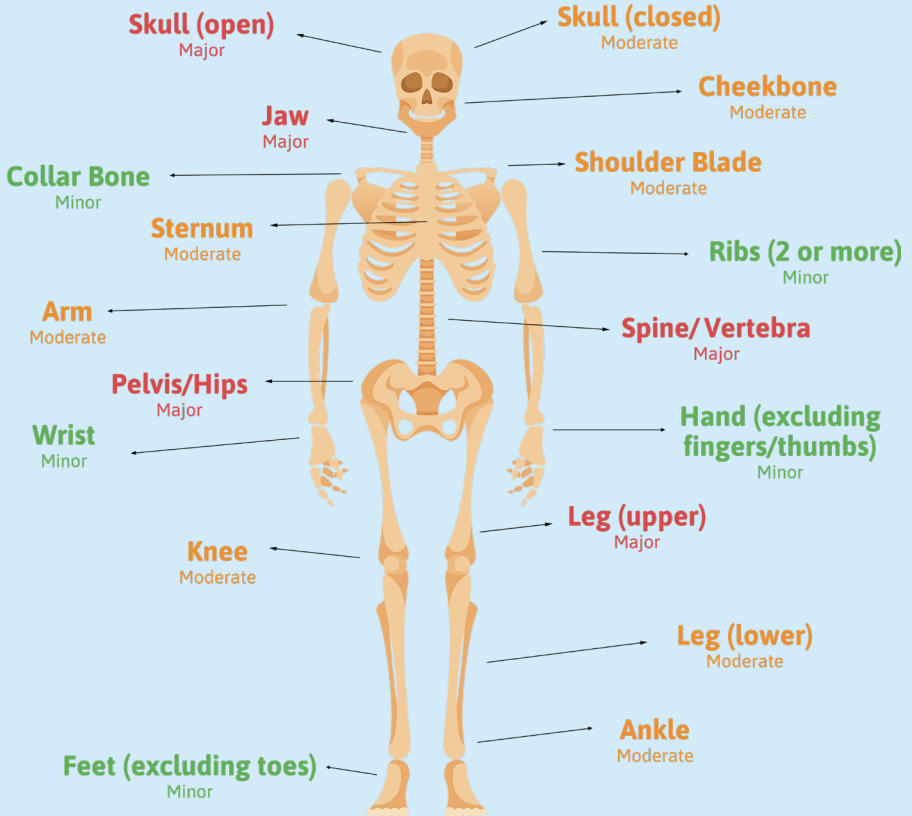

To learn more about
our **Fracture Cover**,
please turn over →

Your client can claim up to £3,000 in total each policy year

Our **Fracture Cover** has 3 categories of payment depending on the severity of the fracture:
