

# Accident Only Income Protection Case Study

Katy, a National Friendly member, was unfortunately involved in a car accident. Her injuries and lengthy rehabilitation left her unable to work for two years. Luckily, having her Accident Only Income Protection in place meant we were able to support her.

- **Policy taken out:** August 2021
- **Member age:** 38
- **Occupation:** Insurance Broker
- **Premium:** £14.11 per month
- **Claim period:** July 2022 to July 2024
- **Reason for claim:** 7 complex arm fractures
- **Total claim payout:** £24,780

*“Every single member of staff at National Friendly were more than friendly and happy to help. They’ve made the process so simple. I can’t recommend this company and product enough. I was passionate about this product before I needed it, however having now experienced the benefits and process of claiming I can’t recommend it more. Thank you National Friendly, you have come to the rescue when I needed you to!”*
