Let's set the scene – how Friendly Shield works

- ✓ Simon has a gold Friendly Shield policy. He's a self-employed painter and decorator.
- ✓ In a car crash he breaks 3 ribs, an arm and a knee. **Friendly Shield pays £3,000 in fracture cover**
- ✓ He's unable to work for 2 months due to his injuries. **Friendly Shield pays £4,500 in income benefit.**
- ✓ He needs extensive physiotherapy to help his knee recover. **Friendly Shield pays £1,000 in rehabilitation benefit.**
- ✓ He needs to speak to a GP as his pain medication gives him heartburn. **Friendly Shield provides 24/7 access to a GP.**
- ✓ **Friendly Shield pays Simon £8,500 during his 2 months of recovery and provides GP access.**
